IMPORTANT INFORMATION

Your vehicle has an Engine Oil Life System (EOLS) which monitors vehicle usage and driving patterns to maximise the service life of the engine oil – refer to Service information in the Owner's Manual for further details

- Change engine oil and filter within 1,000 km when Change (Change Engine Oil Soon) is displayed in the Driver Information Centre (DIC).
- The vehicle must have a maintenance service (incl. oil and filter) at least once every 12 months even if Change (Change Engine Oil Soon) message has not displayed on the DIC.

Note

 If Change (Change Engine Oil Soon) is displayed within 5,000 km of the next scheduled maintenance interval, the scheduled service should be performed.

New Vehicle Warranty certificate

New Vehicle Warranty application

This New Vehicle Warranty is given by Holden New Zealand Ltd., (Company Number 1602), ('Holden') of 2/118 Savill Drive, Mangere East, 2024, Auckland, New Zealand. Holden Customer Care, New Zealand: 0800 465 336. The New Vehicle Warranty applies to the vehicle identified on the inside front cover of this service booklet. It is provided to the original and subsequent owners/operators driving the vehicle within New Zealand during the New Vehicle Warranty Period.

The benefits conferred by this New Vehicle Warranty are in addition to other rights and remedies available to you under consumer protection laws (including those under the *Consumer Guarantees Act 1993*), which cannot be excluded or limited (referred to as Statutory Rights). This New Vehicle Warranty in no way limits or restricts your rights or remedies under such Statutory Rights.

New Zealand vehicles

This New Vehicle Warranty is only applicable to vehicles purchased and operated in New Zealand.

However, this New Vehicle Warranty will not apply for Holden vehicles exported and operated outside of New Zealand or for Holden vehicles purchased outside of New Zealand and imported into New Zealand.

New Vehicle Warranty repairs covered

Subject to your non-excludable Statutory Rights and the exclusions shown on the following pages, this New Vehicle Warranty covers the correction, of any manufacturing defect to materials or Holden workmanship and advised to a Holden Dealer or Authorised Service Outlet, by repair or at Holden's option by replacement.

New Vehicle Warranty period

The coverage under this New Vehicle Warranty commences from the date of first registration (or in the case of a demonstrator vehicle the date when the vehicle was first placed into service by the Dealer). This coverage expires at the end of the period of 3 years after the commencement date or after the vehicle has travelled 100,000 kilometres, whichever occurs first.

No charge

Warranty work performed under this New Vehicle Warranty (including parts and labour) will be carried out at no cost to the vehicle owner. However, this work should not be confused with servicing specified in the Maintenance schedule in this service booklet for which a charge is payable.

New Vehicle Warranty certificate

New Vehicle Warranty exclusions

Damage

Your New Vehicle Warranty does not extend to the following: Damage caused by an accident, fire, theft or moving objects striking the vehicle (including inside the vehicle); damage as a result of towing; damage caused by industrial fallout, chemicals or sealants; damage caused by atmospheric fallout or flood, hail, salt, etc.

Maintenance items

Your New Vehicle Warranty does not extend to services such as brake adjustment, brake replacement, replacement of filters, wiper rubbers etc., which are required as part of normal vehicle maintenance. Refer to *Maintenance Schedule* further in this booklet.

Bulbs

Bulbs are warranted for 12 months under this New Vehicle Warranty.

Misuse

This New Vehicle Warranty does not cover damage caused by:

- (a) misuse or abuse of the vehicle such as by racing, rallying, overloading, etc or neglect,
- (b) operation of the vehicle after the defect is known.
- (c) failure to carry out scheduled maintenance services. Refer to Maintenance Schedule further in this booklet.
- (d) use of incorrect types and grades of fuel, oil or lubricants,
- (e) alteration or modifications of the vehicle by anyone not authorised by Holden,
- (f) fitting of parts or accessories not recommended by Holden,
- (g) any work carried out on the vehicle by anyone except an Authorised Holden Dealer or Authorised Service Outlet

This section is designed to assist you to understand the Holden New Vehicle Warranty provided with your new vehicle which is in addition to your Statutory Rights which cannot be excluded, limited or restricted by this New Vehicle Warranty.

The following are some of the most frequently asked questions for which detailed answers are provided.

Q 1. How do I go about obtaining Holden New Vehicle Warranty service?

It is the responsibility of the Selling Dealer to provide Holden New Vehicle Warranty service, therefore, you should take your vehicle to the Selling Dealer whenever Holden New Vehicle Warranty service is needed. However, if this is not possible, you may go to any other Authorised Holden Dealer. The details recorded inside the front cover of this service booklet will be required by the Dealer.

Q 2. What should I do if my vehicle becomes unsafe or inoperative as a result of a defect which is covered by the Holden New Vehicle Warranty?

You should contact the nearest Authorised Holden Dealer or Holden Roadside Assistance as soon as possible, and arrange for that Dealer to carry out the required Holden New Vehicle Warranty service.

Q 3. What should I do if, in an emergency, Holden New Vehicle Warranty service is required and an Authorised Holden Dealer is not available to provide such service at the time?

Subject to your Statutory Rights, if, in an emergency, a repair, replacement or adjustment (covered by the Holden New Vehicle Warranty) is required to enable your vehicle to be operated safely and it is not practical for you to go to an Authorised Holden Dealer, the service (to the extent that it is necessary to enable your vehicle to be operated safely) may be performed by any other qualified mechanic or repairer. A claim for the reasonable cost may be made under the Holden New Vehicle Warranty through the Authorised Holden Dealer who would normally provide you with Holden New Vehicle Warranty service. You must also take your vehicle to the Authorised Holden Dealer for inspection of the service and/or completion of any required Holden New Vehicle Warranty service, as soon as possible.

Note: During normal business hours, you should seek authorisation from your nearest Authorised Holden Dealer or Holden Customer Care, prior to repairs under your New Vehicle Warranty being commenced.

Q 4. Is damage or injury, loss of time, inconvenience, commercial or other direct or indirect loss covered by the Holden New Vehicle Warranty?

No, these items are not covered under the Holden New Vehicle Warranty. Holden New Vehicle Warranty only covers the repair, replacement or adjustment of those parts of your vehicle which are found to be defective in materials or workmanship. No other types of claim for compensation of any kind, even if the same resulted from a consequence of a defect in materials or workmanship in your vehicle, will be recognised under the Holden New Vehicle Warranty.

You may have rights under your non-excludable Statutory Rights to claim compensation or other remedies outside of the Holden New Vehicle Warranty, but any claim based on those rights should be separately pursued.

Q 5. Will I have to pay for maintenance costs during the New Vehicle Warranty Period?

Maintenance costs are not covered by the Holden New Vehicle Warranty. The Maintenance schedules in this service booklet specify the minimum maintenance required for your vehicle operating under normal conditions.

Subject to your Statutory Rights, the Maintenance items (except where they are required as a result of defects in materials or workmanship) for which you will have to pay include:

- Engine tune-up, including spark plugs replacement.
- Replacement of all filters, engine and other belts, hoses (including LPG hoses) wiper blades and clutch linings.
- Cleaning or flushing of fuel, coolant, brake, engine, transmission, power steering etc., after 3,000 km.
- Carbon and sludge removal.
- Maintenance servicing of emission control system devices.
- Adding to (or replacing) lubricants.
- Adding to (or replacing) air conditioning refrigerant, after 3,000 km.
- Any necessary adjustments to drive belts, transmission, clutch, park brake etc.
- Wheel balancing after 3,000 km.
- Wheel alignment.
- De-dusting or de-glazing of brake linings or pads after 3,000 km.
- Brake pad/lining wear or damaged brake components due to brake/pad lining wear.
- Clutch lining wear or damaged clutch components due to lining wear.

- Brake disc pad or disc wear.
- Battery recharging.
- · Paint, bright metal finish and trim, due to normal deterioration.
- Body panel adjustment after 3,000 km.
- Door, or bonnet lock adjustments.
- Glass or channel adjustments after 3,000 km.
- Body rattle, squeaks and general tightening of bolts, fasteners and fittings after 3,000 km.
- · Chipped glass or breakage.
- · Torn or damaged floor mats or carpets.
- Normal wear and tear to trim components.

Q 6. Will I have to pay for any costs or expenses in connection with the provision of Holden New Vehicle Warranty service?

All parts and labour used in carrying out Holden New Vehicle Warranty service at the premises of the servicing Holden Dealer, are free of charge. Whenever Holden New Vehicle Warranty service is to be carried out by the servicing Holden Dealer it is your responsibility to deliver your vehicle to the servicing Holden Dealer's premises.

If, as a result of a defect which is covered by the Holden New Vehicle Warranty, your vehicle cannot be driven safely and you arrange for the nearest Authorised Holden Dealer to carry out the required Holden New Vehicle Warranty service, Holden will accept reasonable towing costs to move your vehicle to the nearest Holden Dealer's premises. Before employing a towing company, contact the nearest Holden Dealer or Holden Roadside Assistance Service or Holden Customer Care to obtain guidance.

Q 7. Would my vehicle's engine benefit from fuel additives, oil additives or coolant additives not marketed by Holden?

Your Holden is engineered to perform at its optimum using Holden recommended lubricants and fluids. The use of supplemental additives is not recommended as their use not only increases operating costs, but may indeed be harmful to your vehicle.

Any negative impact or consequences due to the use of additives may affect the validity of your New Vehicle Warranty.

Only the fluids and lubricants referred to in the Owner's Manual should be used.

Unauthorised statements in relation to Holden products

No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance, characteristics, descriptions or fitness for any purpose of any Holden product or in connection with the supply of any Holden product, which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any responsibility for such unauthorised action.

Servicing

Distance / Time based service intervals

The Complimentary inspection is due at 1 month of owning your new Holden.

The first scheduled maintenance service is due at 12 months or 15,000 km (whichever occurs first) from taking delivery of your vehicle and thereafter, every 12 months or 15,000 km (whichever occurs first).

Additional services are required under certain driving conditions, such as when towing. Refer to *Maintenance Schedule* further on in this booklet.

Complimentary inspection

The 1 month Complimentary inspection is performed free of charge by the Selling Dealer.

A different Holden Dealer may perform this inspection if provided with authorisation from the selling Dealer.

Determining the proper service interval

The operating conditions of your vehicle will determine the service interval. Use the **time** interval or the odometer reading, whichever occurs first, to determine when the service is due. It is important to remember that oils and fluids in your vehicle will deteriorate over time, therefore if your vehicle has not travelled the specified service interval distance, the vehicle **must** be serviced by time interval.

Under certain operating conditions, your Holden may require additional servicing to ensure maximum safety, performance and longevity.

The additional service requirements typically include more frequent replacement of lubricating oils for example, engine and transmission fluids and the more frequent inspection of steering, suspension and brake system components. For more information please refer to *Maintenance Schedule* further on in this booklet.

Your Holden Dealer will be able to determine the appropriate service requirements for your vehicle according to your operating conditions.

Engine oil life system

If Change (Change Engine Oil Soon) appears in the Driver Information Centre (DIC), the engine oil and filter must be replaced within 1,000 km and the EOLS reset. The engine oil and filter change should be recorded on an Additional service coupon.

Note: If Change (Change Engine Oil Soon) appears in the DIC within 5,000 km of the next scheduled maintenance interval, the scheduled service should be performed, the engine oil and filter changed, and the EOLS reset. Record on the applicable coupon stub.

Servicing

Service coupons

Service coupons are provided further on in this booklet. When each service is performed, the appropriate coupon is removed. This reveals the next coupon to remind you when the next service is due.

After each service, check the service has been validated by the Service Provider and, where applicable, the Dealer's stamp and signature is on the coupon stub. This is important as it not only assists in the determination of New Vehicle Warranty claims, but enhances the value of the vehicle when selling.

Service coupons are provided for each service up to the 195,000 km / 156 month service. For all subsequent services, refer to the maintenance schedule 'After 195,000 km or 156 months' on page 13. When performing these services, record them on the additional service coupons provided on page 45.

Additional service requirements

If you are driving your vehicle outside of the normal driving conditions, you may need to conduct additional servicing. Criteria for these additional services can be found in the Maintenance Schedule. Additional service coupons can be found further on in this booklet.

As a guide, if you operate your vehicle continually for a period of one month or 1,000 km under any of the conditions listed, then additional services are recommended. If you consider that further servicing may be required, consult your Holden Dealer.

Servicing

Your Holden Dealer

When it comes to service, remember that your Holden Dealer has the trained personnel and specialised equipment to correctly service your vehicle. Your Dealer invites you to return for all your service needs both during and after the New Vehicle Warranty Period.

The safety, economy, emission control, performance and reliability of your vehicle cannot be assured unless regular maintenance is performed, preferably by factory-trained technicians at Holden Dealers.

New Vehicle Warranty and service

Subject to your non-excludable Statutory Rights, all maintenance services listed in this booklet, and replacement of service items, are the responsibility of the owner and as such are NOT considered under the provisions of the New Vehicle Warranty to be rectified of defective material and workmanship. Items such as wheel alignment, necessary adjustments to drive belts, transmission, clutch and parking brake or any other items which may require servicing due to fair wear and tear are carried out at the owner's cost.

Damage caused by failure to have proper maintenance services carried out in accordance with Holden's specifications may void your New Vehicle Warranty. As a result, it is strongly recommended that such services be carried out by an authorised Holden Dealer or Authorised Service Outlet and that you read the New Vehicle Warranty section previously in this booklet, so that you are aware of the New Vehicle Warranty exclusions.

Service charges

Lubricants and materials

The owner is charged for all lubricants and materials used, plus labour, at the times recommended on the service coupons.

Fault repairs

The owner is charged for the repair or replacement of any part found faulty during a service check and not covered by Holden Warranty.

Where any deficiencies are noted, such items should be reported to the owner/ operator and the extra work authorised.

Additives not recommended

The use of break-in oil, tune-up compounds, friction reducing compounds and other supplemental additives are not recommended; their use not only increases operating costs, but may indeed be harmful to your vehicle.

Additional service charges
